EDITION 01/2016

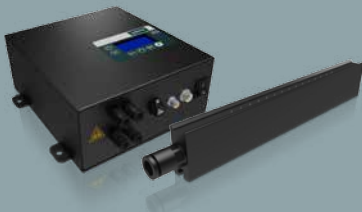

**NEW:**  
Charging Electrodes and  
Charging Generators

## ■ DRUPA 2016 – MAY 31<sup>ST</sup> TO JUNE 10<sup>TH</sup>

As a reliable partner of renowned manufacturers, we will also be represented at drupa 2016.

We would like to welcome you at our conference booth in Hall o2, Stand 2Bo9. Our booth staff will be available to answer your questions and to give a no-obligation consultation. We're looking forward to your visit!

## ■ CHARGING – NEW TO OUR PORTFOLIO

At drupa 2016 we'll be expanding our product portfolio to include the area of charging.

During the conference, we would love to present our charging generators and charging electrodes to you. You'll also have the opportunity to see them in action and to test them out.

## ■ NEW HOMEPAGE – WWW.KERSTEN.DE

We're also excited to welcome you to our new homepage.

Here you will find our complete portfolio for the areas of Discharging, ATEX and Charging. In addition, you can also get a first impression about what Kersten Elektrostatik is able to do for you.
